

# MASJID AL-ISLAM

Dallas, TX

THE BEACON OF LIGHT, COMMUNITY OUTREACH CENTER

**EFFECTIVE as of March 24, 2020 9:13 PM**

Because of the outbreak of the Coronavirus (COVID-19), Dallas county has issued a shelter in place [directive](#). This means only those activities necessary to one's physical survival warrant traveling outside a person's home. Sadly, Dallas county has had its greatest one day increase of infection since the county has begun tracking results. Our Muslim community has and will continue our best practices to ensure nothing on our part makes this pandemic worse for ourselves or neighbors.

Until further notice, all activities at Masjid Al-Islam Dallas and the Beacon of Light Community Outreach Center are cancelled. During this time, the masjid will not be open for the daily congregational prayers. Please continue to follow the most cautionary of medical guidance to address any experienced symptoms or suspected exposure. May Allah protect, and forgive each of us as we patiently persevere this difficult trial.
